Our House Spirits

Dutch Barn Vodka

Modern British Vodka, Reimagined

Distilled from British apples, Dutch Barn Orchard Vodka offers exceptional purity with a naturally smooth, rounded character. A new generation of vodka, it balances innovation with sustainability — delivering a clean, elegant base that allows both bold and delicate flavours to shine.

You'll find it at the heart of our martinis and signature serves — where clarity and balance are everything.

Whitby Distillery

The Spirit of the Coast

Our House Pour Whitby Gin is proudly local.

Distilled using botanicals foraged along the North Yorkshire coastline — including sugar kelp from Whitby shores — Whitby Gin captures the essence of the sea in every pour. Bright, fresh and unmistakably coastal, it brings a distinctive character to both classic and contemporary cocktails.

Whitby Distillery Rum

Alongside this, our rum offering from Whitby Distillery brings warmth and depth, delivering a rich, rounded profile that lends itself beautifully to both refreshing and indulgent serves.

Buffalo Trace Bourbon

Heritage Bourbon. Timeless Craft

From one of Kentucky's most respected distilleries, Buffalo Trace Bourbon is a benchmark in American whiskey.

Rich notes of caramel, vanilla and spice create a depth of flavour that stands up beautifully in classics such as the Old Fashioned and Manhattan — delivering warmth, structure and unmistakable character.

Johnnie Walker Whisky

Progress in Every Pour

Crafted from a blend of Scotland's finest whiskies, Johnnie Walker is defined by its layered complexity — notes of vanilla, gentle spice and soft smoke, balanced with a smooth, lingering finish.

In our cocktail collection, it provides a refined backbone for both contemporary and classic serves, adding depth without overpowering — a whisky that complements, enhances and endures.

Whether you're enjoying a timeless classic or one of our signature creations, each cocktail at The Treasury Whitby reflects the same philosophy:

Respect the ingredients.

Honour the craft.

Elevate the experience.
